Reg. No. 32,960

BHB/kas

Marked-up Copy of Claims

4. A display device as claimed in [any one of the claims 1 to 3] claim 1, wherein the spots are translucent.
5. A display system as claimed in [any one of claims 1 to 3] claim 1, wherein the spots are opaque.
6. A display device as claimed in [any one of claims 1 to 5] claim 1, wherein the spots are light coloured, eg. white.
7. A display device as claimed in [any one of claims 1 to 6] claim 1, wherein only one of the first and second surfaces has the matrix of spots thereon.
8. A display device as claimed in [any one of claims 1 to 6] claim 1, wherein both the first and second surfaces have the matrix of spots thereon.
9. A display device as claimed in [any one of claims 1 to 8] claim 1, wherein said spots increase in size with increasing distance from an edge of the medium at which a light source is located in use of the display system.
11. A display device as claimed in [any one of claims 1 to 10] claim 1, wherein said spots are annular spots.
12. A display device as claimed in [any one of claims 1 to 11] claim 1, wherein said matrix covers substantially the entire surface to be illuminated.
13. An illuminated display system including a display device as claimed in [any one of claims 1 to 12] claim 1, in combination with a light source in optical communication with said transparent medium for illuminating said first and second surfaces.
